DATE: August 10, 2017
TO: Agents of National Forwarding Co., Inc. and Affiliates
FROM: Jill Finnigan, Director, Sales & Operations
SUBJECT: NVL International's New Website

Voilà!

National Van Lines International has a newly designed website to serve YOU better!

New user friendly features!

Tools you can use!

The screenshot displays the National Van Lines Inc. website. At the top left is the logo for National Van Lines Inc. with the tagline "By Land, By Sea, By Air... Anywhere!". To the right are "About Us" and "Login" buttons. Below the header is a navigation bar with "Government Employees", "Private Transferee", "Corporate Relocation", and "Our Partners". The main content area features a large "Agent Quote Request" heading. Below this is a form with the following fields: Agent Name *, Contact Name *, Email *, Telephone Number *, Shipper Name *, Origin Country * (dropdown), Origin City, Origin State * (dropdown), and Postal Code. A dropdown menu is open, showing options like "Agent Login", "Agent Quote Request", "Communicating with the Customer", "Tools", "Basics of Estimating", "NFC Newsletters", "Helpful Links", "Contact Us", "GSA - RFO", "International Tender - IT 16", "International Tender - IT 17", and "International Tender - IT 17 Change 1".

We've updated the look and feel, but we've kept the same friendly, hands-on, customer focused service.

Visit www.nvlinternational.com today!

You can also access our website via www.nationalvanlines.com or www.nationalforwarding.com.

Come see us at the 2017 National Van Lines Convention in San Antonio, TX for our workshop: *International Sales: 2017 and Beyond.*
