FROM: Steve Caruso, Manager Agency Services  
SUBJECT: Notification Requirements of Positive COVID-19 Results

On 19 June, USTRANSCOM published [Advisory #20-0095: Notification Requirements of Positive COVID-19 Results](#). This advisory provides instruction to TSPs and PPPO/PPSOs on who to notify if a customer or TSP representative received COVID-19 positive test results.

As an agent/hauler servicing a National Forwarding shipment, if you become aware of an employee(s) or company representative who tested positive for COVID-19 at any time, or a customer or customer's family member who tested positive, NFC is mandated to notify USTRANSCOM, the Military Service HQ(s), and the PPSO(s) immediately. Please contact us as soon as possible so we may gather the required information.

If you need to report a COVID-19 positive test result, or if you have any questions, please contact Agency Services at 800-323-9125 or [agencyservices@nationalforwarding.com](mailto:agencyservices@nationalforwarding.com).
