Subject: New Policy for Entering West Point

ALL,

Beginning 7 JUNE 2016, there is a new policy in place for accessing West Point. Visitors/vendors who wish to gain access to post will now be required to stop at the Visitors' Center for a pass, prior to going through the gate. The Visitors' Center is located in Highland Falls, at 2107 New South Post Road, next to McDonalds. Keep in mind commercial trucks will still only be allowed to enter through Stony Gate (route 218/9W) so the Visitors Center stop must come first.

More information about the new policy and what type of identification is required can be found here: <http://www.westpoint.army.mil/visitus.html>

Unfortunately the West Point Transportation Office has no more information than what is posted on the above listed website.

Questions about the new procedures can be answered by participating in the Discussion Forum found at: <http://www.westpoint.army.mil/visitus.html>
