SUBJECT: Camp Pendleton Base Access Requirements

The Marine Corps is transitioning to DBIDS. Effective immediately, "the requirement for the RAPIDGATE credential as the long term access token is rescinded" at Camp Pendleton.

Camp Pendleton will issue temporary passes for individuals for periods of up to 60 days until DBIDS is at full operations capability. Requirements to be issued a temp pass are:

- Sponsor letter from a base entity or organization authorized to sponsor. Per HQ NAVSUP the POC for the letter will be: Stacey Henderson
stacey.henderson@usmc.mil.
- Meet the access suitability determination as determined by a background check.
- Provide an acceptable and valid government identity document with photograph.
