SUBJECT: U.S. Bank PowerTrack Billing Fee Adjustment

We have received notice from U.S. Bank that the Powertrack Fee will be adjusted to 1.33% on October 1<sup>st</sup>, 2016. This is in part due to the prime rate increase to 3.5%, however the change is largely occurring through an addendum to the fee schedule to maintain the system's readiness and performance.

As per previous changes, we will assess this change to all shipments picking up on and after 09/15/2016, and on SIT that is billed on 10/01/2016 or later.

I would like to thank you for your representation of our company. If you have any questions or would like a copy of the U.S. Bank notification and addendum pertaining to this matter, please do not hesitate in contacting us.
